CONSUMER SCIENCE ENTRIES

2023 - Home Economics Entries

Articles may be entered Monday, August 21 from 8:00 am - 6:00 PM. All items must be picked up Monday, August 28. NOTE: Not responsible for entries not picked up.

RULES FOR EACH CATEGORY:

CULINARY - Articles in this department will be judged according to standards established by the Department of Agriculture. This means the fair judges have the privilege of opening all jars. Jars must be sealed and processed in standard canning jars. Any article winning first prize in previous years cannot be entered in any class. Items needing refrigeration will NOT be accepted.

BEST DIABETIC DIVISION - Articles entered in this division must list ingredients and recipe.

TEXTILES - Articles in these classes are judged on general appearance, neatness of work and difficulty of pattern. Only one article may be submitted in each class by one person. Any article winning first place in any class in the previous years shall not be entered again.

CRAFTS DEPARTMENT - Articles in these classes are judged on their practicalness and usefulness in the home. Consideration of the technique is considered first, neatness of work second, and difficulty of design third. Final finishing is also considered and whether or not the maker has used blending colors wherever color is used in an article.
