- The Boyd County Fair Board, Inc. requires all vendors, exhibitors, etc. to obtain the required permits or license to operate their booth. **Food vendors MUST contact the Shelby Hall at the Boyd County Environmental Services no later than July 22nd to obtain a food permit. If they are not contacted prior to this date you may not be given a permit to sell food.** I have included their number on the next page. They require 30 day notice prior to the event and have made exceptions in the past, however, there is no guarantee that the same will hold for this year.
- Please contain all activities to your own designated area, no vendor is allowed to sell, solicit, or share products with other vendors. Please keep your area as clean as possible. **A large dumpster will be placed on the lower level road for the vendors to use. - Vendors are only to sell products approved on the application. No Non-food or food vendor may sell items that are not listed on their application and approved by the Boyd County Fair Board, Inc. We limit the number of vendors selling each item. Certain items are exclusive to the carnival all others are on a first-come basis. The following items are an exclusive with the carnival and no other vendors on the property will be allowed to sell. Funnel Cakes, popcorn, candy apples, caramel apples, snow cones/slushies, cotton candy, lemonade, & corn dogs. This exclusivity includes the midway and derby areas as well.
- Vendor's vehicles **MUST** be moved to the designated parking area before fair gates open. **NO vehicles will be permitted on the midway, behind or beside the fair building after the opening of the fair gates at 4 PM. Any vehicles left parked at the back of the building after this time will be subject to towing.**
- All outside vendors must check in with the Boyd County Fair representative prior to setting up your unit. Boyd County Fair personnel will assign all spaces. Please stay in those marked spaces.

- You may setup Monday 10 am – 6 pm and again on Tuesday beginning at 10 am. **Food vendors MUST be set up and ready for inspection by the Environmental Services by 10 am on Tuesday. They will only inspect ONE day this year....no return visits.** All booths/trailers must be removed from the fairgrounds on Saturday, August 21st after closing.

All state and local regulations must be followed for Covid-19. Those guidelines are constantly changing and evolving. It is our hope that most of those will be lifted by the fair in August. I will post specific guidelines for the fair vendors the last of July to be sure we are adhering to the proper ones. Thank you for your patience on that matter.
